

Preserving Transcultural Heritage Report

Dear EFA, I would like to express gratitude for the support my participation into Transcultural Heritage My Way or Your Way which was held by ICOMOS and Lisbon University, Portugal from 5th to 8th July 2017 (<https://congressartis.wordpress.com/>). The even help me for disseminate the main ideas of my dissertation - engaging people in the urban heritage conservation. I have presented my paper on Thursday 6th July 2017. During the event I attended the lectures which I refer in my work, and expanded network within the academia in the urban heritage conservation discipline.

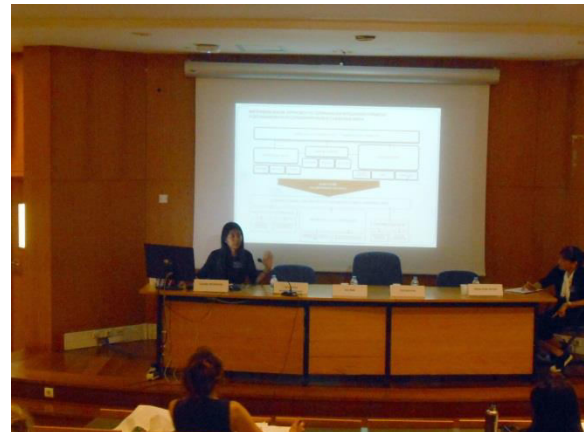

Jukka Jokilehto – Keynote speaker delivered presentation entitled *Issues in contemporary conservation and management of World's Heritage Conservation* - on 5th July 2017.

The conference venue – Faculty of Letras, University of Lisboa, Lisboa, Portugal.

Panel Discussion of the key note speakers – 7th July 2017, from left to right: Joaquim R. Santos – scientific committee, Raimundo Mendes da Silva, Siegfried Enders – ICOMOS Germany, Jukka Jokilehto – ICCROM.

My presentation entitled *Inhabitants awareness of shared cultural heritage: a case study of Darmo conservation area, Surabaya, Indonesia* - Thursday 6th July 2017.

Darmstadt, 11th July 2017
